RE: APPRECIATION FOR FURNITURE

We hereby wish to thank you for your contribution towards our school regarding the donation of office furniture. Your donation will definitely better the lives of our kids and teachers at our school.

We are so excited because we can use the furniture for our computer room that we dream of for a long time already.

Thank you once again for all your effort that you put in to help us at St. Augustine's Primary.

Kind regards.

Mrs CF Barends
Principal
